

BEFORE THE  
UNITED STATES OF AMERICA  
POSTAL REGULATORY COMMISSION  
WASHINGTON, DC 20268-0001

Competitive Product Prices  
Inbound Parcel Post (at UPU Rates)

Docket No. CP2022-35

PUBLIC REPRESENTATIVE COMMENTS ON CHANGES IN PRICES  
FOR INBOUND PARCEL POST (AT UPU RATES)

(December 20, 2021)

The Public Representative hereby provides comments pursuant to Order No. 6061.<sup>1</sup> In that Order, the Commission established the above referenced docket to receive comments from interested persons, including the undersigned Public Representative, on a Postal Service Notice of a change in rates not of general applicability for the Inbound Parcel Post (at UPU Rates) product.<sup>2</sup>

Included as Attachment 1 to the Notice is an application for non-public treatment of materials filed under seal. The Postal Service also filed as Attachments 2, a redacted version of UPU International Bureau (IB) Circular No. 145, showing the rates applicable to the Postal Service. Additionally, the Postal Service included the following: a certification pursuant to 39 C.F.R. § 3015.5(c)(2) as Attachment 3, the redacted Postal Service data transmitted to the UPU to justify its bonus payments as Attachment 4, a copy of the Postal Service's submission to the UPU in support of an inflation-linked adjustment as Attachment 5, a redacted version of Governors' Decision No. 19-1 as Attachments 6, a redacted copy of UPU IB Circular No. 148 as Attachment 7, and a supporting financial model estimating the cost coverage under the proposed rates.

---

<sup>1</sup> Order No. 6061, Notice and Order Concerning Changes in Prices for Inbound Parcel Post (at UPU Rates), December 13, 2021.

<sup>2</sup> Notice of the United States Postal Service of Filing Changes in Rates Not of General Applicability for Inbound Parcel Post (at UPU Rates), and Application for Non-Public Treatment, December 10, 2021, (Notice).

## COMMENTS

Pursuant to 39 U.S.C. § 3633(a), the Postal Service's competitive prices must not result in the subsidization of competitive products by market dominant products; ensure that each competitive product will cover its attributable costs; and, ensure that all competitive products collectively contribute an appropriate share of the institutional costs of the Postal Service.

Based upon a review of the financial data, the prices for the Inbound Parcel Post (at UPU Rates) product should generate sufficient revenues to cover costs and therefore meet the requirements of 39 U.S.C. § 3633(a).

## CONCLUSION

The Public Representative finds the proposed rates for Inbound Parcel Post (at UPU Rates) are in compliance with the requirements of 39 U.S.C. § 3633(a). Thus, Public Representative recommends that the Commission approve the proposed rates for Inbound Parcel Post (at UPU Rates).

The Public Representative respectfully submits the foregoing comments for the Commission's consideration.

---
